## **Ellistown Primary School Parent Forum**

### **What is it?**

Everyone has concerns or ‘niggles’ from time to time and whilst they might not be urgent, getting them resolved may be an important factor in how happy your child is at school.

Our ‘Parent Forum’ will be an opportunity to share these concerns and also a chance to share any positive comments or things you feel work well, in order to build on the successes of the school and celebrate our achievements. It will also be an opportunity for us to share new initiatives with you as parents and gauge opinion.

For the time being the meetings will be on ‘Zoom’, but we hope to be able to eventually do them in person at school, with tea and cake 😊. They will run every half term and last about an hour. Whilst they are on Zoom we will make sure that we leave enough time for you to get up to school for the end of the school day to collect your child(ren) if necessary.

### **How will my views get heard?**

The names of the parent forum representatives will be published and people can either approach one of the representatives directly, email the school or leave a note with the school office if they would like something to be discussed. At the meeting the agenda item will be discussed and should you choose to join the forum you will be able to add the benefit of your experience as a parent to the discussion.

### **Sounds great – how do I get involved?**

We are looking for two representatives from each class if possible. Please email [admin@ellistown.leics.sch.uk](mailto:admin@ellistown.leics.sch.uk) by **Friday 9<sup>th</sup> October 2020** if you are interested and we’ll be in touch!

Kind regards

Mrs Simone Fellows, Head Teacher
