Chair of Governors: Clive Taylor

Head Teacher: Simone Fellows

Assistant Headteacher: Mrs Becky Davies

Dear Parent/Carer,

Re: Year 6 Relationships Education and Health Education

In school we aim to help children to learn to respect themselves and others and move safely and confidently from childhood, through adolescence, into adulthood. We deliver much of this work through Relationships and Health Education, which are statutory parts of the broader subject, PSHE. As part of our programme we provide Relationships and Sex Education (RSE). This programme begins as soon as children arrive in school and continues until the end of secondary school. There is more information about the areas your child will be covering below.

We are very aware that the RSE we deliver in school is only a small part of children's learning about their bodies, keeping safe, emotions, relationships and themselves. The majority of children's learning in this area takes place with you at home. We hope this leaflet gives you some more information about our partnership in developing children's knowledge, skills and attitudes relating to RSE. [Our Relationships Education Policy, which covers RSE, is available on the Ellistown Primary School website.](#)

We will shortly be beginning some work in Year 6 about 'Growing and Changing'. This work forms part of an ongoing programme of RSE, which we deliver throughout the school. Our 'Growing and Changing' topic covers some elements of Science, some Relationships Education and Health Education.

Your children will be engaging with the following questions as part of this work:

- **What are different ways babies are conceived and born? (Sex Education)**
- **What effect might puberty have on people's feelings and emotions?**
- **How can my words or actions affect how others feel, and what are my responsibilities?**
- **What should adults think about before they have children?**
- **Why might people get married or become civil partners?**
- **What are different families like?**

Bold = either of the statutory areas, Relationships Education or Health Education

Within this topic, the children will learn about puberty, sexual reproduction and internal body parts. The words they will learn are:

- Commitment
- Marriage
- Stable relationship
- Puberty
- Period
- Menstruation
- Cervix
- Labia
- Fallopian tube
- Clitoris
- Ovary/ ovum

- Vulva/ vagina
- Uterus/womb
- Sperm/sperm duct
- Urethra
- Pubic hair
- Voice breaking
- Arousal
- Erection
- Sexual intercourse
- Sex
- Ejaculate
- Conception
- Pregnancy
- Ovulation
- sanitary towel
- Tampon
- Body odour
- Deodorant

We encourage you to discuss these areas with your child before, during or after our topic, as children say that they greatly value being able to talk with their parents/carers about these issues.

These are some useful sources of support:

To read the government guidance for Primary parents on RSE follow this link

assets.publishing.service.gov.uk/government/uploads/system/uploads/attachment_data/file/812593/RSE_primary_schools_guide_for_parents.pdf

For some ideas on how you might want to answer your children's questions go to www.bbc.com/teach/class-clips-video/pshe-ks2-the-big-talk/zn8f7nb

For information on talking about RSE to your children, try

www.fpa.org.uk/advice-parents-and-carers/how-start-talking-about-it

www.bigtalkeducation.co.uk/parents/how-to-talk-about-sex/

www.nspcc.org.uk/preventing-abuse/keeping-children-safe/healthy-sexual-behaviour-children-young-people/

You have the right to withdraw your child from the elements of our programme defined as sex education i.e. learning about human conception and birth.

Please contact Mrs Fellows if you would like to discuss your right to withdraw your child. If you would like to discuss any issues relating to our work on RSE, or to find out more about the lessons, please contact Miss Wardle our PSHE and RSE lead.

We have carefully reviewed the resources we use to support our teaching, to ensure they are appropriate to the age and needs of the children.

Kind Regards

The BeekeeperTeam
